

# NBN Video Publisher - Legal Information

## Terms of Service

By using the NBN Video Publisher tool, you agree to the following terms:

- You are responsible for the content you upload to TikTok.
- This tool does not store your credentials or video content.
- We do not guarantee uptime or performance; use at your own risk.
- TikTok's own terms and community guidelines apply.

This tool is intended for personal and internal use only.

## Privacy Policy

NBN Video Publisher does not collect or store any personal data.

- All authentication tokens are managed by the user.
- Uploaded videos are transmitted directly to TikTok via their API.
- We do not use cookies, tracking, or analytics.

This tool operates entirely within the user's environment.
